VOLUNTEER OPERATIONS

The primary mission of the Good Samaritans' Service Center is to provide short-term assistance to families and individuals having emergency needs for food, shelter, utilities, medicine, clothing and transportation. We have volunteers who give their time to provide this assistance in three areas:

Interview, Reception, Food Pantry

Interviewer: Talks with the clients - giving assistance according to their needs. This involves completing the client data file on the computer in order to better understand the client's economic situation, listening to the request for aid, and offering assistance based on established guidelines. The interviewer may also coordinate additional assistance with other agencies such as Salvation Army, Aransas County and St. Vincent de Paul.

Receptionist: This position is open to those who would like to greet the clients, answer the telephone, keep the files in order and prepare each client's file for the interviewer which would include scanning identification cards into the client data file on the computer.

Food Pantry: The food pantry volunteers keep bags packed with specified food items for one, two or four persons. They help stock the pantry and refill the shelves.
